

## MANSAG Manchester 2018 - Call for Abstract

Abstracts are welcome from trainees and other healthcare professionals involved in any area of healthcare care

The best 3 abstracts will be selected for oral presentation and the other qualifying abstracts will be presented as posters.

Abstracts must contain data/work produced by the presenting author and preferably should not have been presented or submitted previously.

Abstracts should be prepared and submitted in the following format below:

Title of abstract:	
<b>Authors:</b>	Eg <u>A Williams</u> , G Fowler, E Adams <u>Presenting author should be named first and underlined</u>
<b>Affiliations:</b>	
<b>Presenting author email:</b>	
<b>Category of abstract (medical/surgical specialty):</b>	
<b>Preferred method of presentation:</b>	Oral only / Poster only / Either
NB. All abstracts not selected for oral presentation will automatically be assessed for poster presentation except authors indicate otherwise.	
<b>Main body of abstract under the following sub-headings (150 words maximum):</b>	
Introduction	
Methods	
Results	
Conclusion	

Abstracts exceeding 150 words will not be accepted.

**Abstract submission deadline is Friday 30<sup>TH</sup> September 2018. Abstracts received after this date will not be considered. Authors of selected abstracts will be notified by Monday 15<sup>th</sup> October 2018.**

**Abstracts should be submitted as Word documents via email to:**

**[nosasu@gmail.com](mailto:nosasu@gmail.com)**
